

Private School Review Report

School Name: Mt Hobson Academy

Profile Number: 487

Location: Auckland CBD

Introduction

ERO reviews of private schools are significantly different in process and more limited in scope and reporting than those for state and state-integrated schools, focusing as they do on the *Criteria for Registration* set out in clauses 2 to 6, Schedule 7 of the Education and Training Act 2020.

Clause 9, Schedule 7 of the Education and Training Act requires the Education Review Office (ERO) to review private schools and to report to the Secretary for Education on whether each school meets the criteria for registration.

More information about ERO reviews of private schools can be found on ERO's website [Private and independent schools | Education Review Office \(ero.govt.nz\)](https://www.ero.govt.nz/private-and-independent-schools)

The criteria for registration are that the school —

- a) *has premises that are suitable, as described in clause 3, Schedule 7; and*
- b) *usually provides tuition for 9 or more students who are of or over the age of 5 years but are under the age of 16 years [clause 2(b), Schedule 7]; and*
- c) *has staffing that is suitable to the age range and level of its students, the curriculum taught at the school, and the size of the school (clause 2(c), Schedule 7; and*
- d) *has equipment that is suitable for the curriculum being delivered or to be delivered at the school (clause 2(d) Schedule 7); and*
- e) *has a curriculum for teaching, learning, and assessment and makes details of the curriculum and its programme for delivery available for parents; and*
- f) *has suitable tuition standards, as described in clauses 2(e),(f) and 5, Schedule 7; and*
- g) *has managers who are fit and proper persons (as described in clause 6, Schedule 7) to be managers of a private school; and*
- h) *is a physically and emotionally safe place for students (clause 2(h), Schedule 7).*

When an ERO report identifies an area within the criteria for registration that is not meeting the criteria at the time of the ERO review, that will be reported, the Ministry of Education will be informed and they will follow up the issue with the school.
